Abstract

Here goes the abstract about UAV Formation Flight.

TODO:

Write abstract

Contents

Acknowledgements	i
Abstract	ii
1 Introduction	1
1.1 Domain Description	1
1.1.1 Motivation	1
1.1.2 Objectives	1
2 Related Work	2
3 UAV Management Platform	3
3.1 Architecture	3
3.2 Functionalities	3
4 Formation Flight	4
4.1 Coordinates Systems	4
4.1.1 Latitude, Longitude, Altitude	4
4.1.2 Earth-Centered, Earth-Fixed	4
4.1.3 Conversion	4
4.2 Formation types	4
4.3 Entering the formation	4
4.4 Maintaining the formation	5
5 Implementation details	6
5.1 FlightGear	6
5.2 QGroundControl	6
5.3 MY CODE	6
6 Use cases	7
7 Conclusions and future work	8

Chapter 1

Introduction

BOLD TO REMEMBER

TODO:
WRITE INTRODUCTION CHAPTER (1-2 pages)

1.1 Domain Description

TODO:
Describe the uav domain

1.1.1 Motivation

This thesis presents the **UAV Formation Flight**.

TODO:
Write motivation

1.1.2 Objectives

TODO:
Write objectives

Chapter 2

Related Work

TODO:
Describe related work

We can also have citations like [1].

Chapter 3

UAV Management Platform

3.1 Architecture

TODO:
Describe architecture

3.2 Functionalities

TODO:
describe functionalities

TODO:
Describe management framework

Chapter 4

Formation Flight

4.1 Coordinates Systems

4.1.1 Latitude, Longitude, Altitude

TODO:
describe lla

4.1.2 Earth-Centered, Earth-Fixed

TODO:
describe Ecef

4.1.3 Conversion

TODO:
describe lla-to-ecef

4.2 Formation types

TODO:
describe formation types

4.3 Entering the formation

TODO:
Describe Formation Entering

4.4 Maintaining the formation

TODO:

Describe entering the formation

Chapter 5

Implementation details

TODO:
describe implementation details

5.1 FlightGear

TODO:
talk about FlightGear

5.2 QGroundControl

TODO:
talk about QGroundControl

5.3 MY CODE

TODO:
talk about code, class-diagrams, describe methods, data-structures

Chapter 6

Use cases

TODO:
describe use cases

TODO:
captures of 3 formations

TODO:
captures of flight-path

TODO:
possible missions

Chapter 7

Conclusions and future work

TODO:
describe conclusions and future work with low priority

TODO:

Add appendixes

Bibliography

[1] ADD BIB.
